History of Scouting

- **The Beginnings of Scouting Movement**

- The 20th-century scouting movement was started by Robert Baden-Powell during the Boer War as a series of games and exercises to help men learn to live in the open under difficult conditions
- Baden-Powell developed a book called “Aids to Scouting” as a way of training recruits. This book became an instant hit among boys
- He conducted his first Boy Scout camp on Brownsea Island in 1907, and his book “*Scouting for Boys*” was published in 1908
- In England, Boy Scouts formally started on Jan. 24, 1908

- **History of Scouting in the USA**

- In the United States the Young Men's Christian Association (YMCA) had been running camps for boys since 1884.
- In 1902 Ernest Thompson Seton founded the Tribe of Woodcraft Indians as a boy's organization. Three years later Daniel Carter Beard started a similar society called the Sons of Daniel Boone.
- February 8th, 1910 William Boyce, inspired by unknown Scout in London, incorporated BSA working with YMCA and Seton
- In 1910, Seton combined B-P “*Scouting for Boys*” and Woodcraft Manual to publish first BSA Handbook

Troop Leadership

Prepared. For Life.®

Cub/Boy Scout Differences

- A Boy Scout Troop is not structured like a Cub Pack
- Boys have more responsibility
 - Planning, packing, setting up camp, cooking, activities
 - Scout is responsible for initiation of advancement
 - Parents cannot sign off. Adult Leaders (SM, ASM, CC, or CM), or Troop Leaders (SPL, ASPL, Troop Guide) are the only persons in the troop that that can sign off.

This is often the most difficult concept for both parents and leaders to grasp. Scouts will stumble and learn! Failure sometimes can be the best teacher.

Active Support

There are some things that the scout can't do by themselves without help.

Your Assignment:

- Get involved
- Help your scout to get to troop meetings and functions
- Prepare your scout for challenges ahead on the trail to Eagle

Patrol Method

A Troop is made up of Patrols, a Troop is not divided into Patrols

- Each Patrol operates as a self-sufficient unit.
- Each Patrol is encouraged to develop their own identity with a Patrol flag and yell.
- Each Patrol will utilize a duty roster to distribute tasks across the team members and learn the value of teamwork
- Each Patrol will elect its own leadership (6 month term) to guide and manage the Patrol (Patrol Leader (PL) and Assistant PL)
- Patrol leaders will attend monthly planning meetings (PLC) and represent their patrol & are responsible for patrol communications.
- Adults do NOT run the patrols.
- Depending on attendance, patrols may be combined for activities.
- Patrol leaders will make mistakes. This is a learning activity. Each boy will get their opportunity to lead and to learn how to lead effectively.
